Reserved Day for Vivas of Selected Students

Monday - Wednesday  
13-07-2020 to 15-07-2020

**Dear Students,**

Attached is the examination timetable. Exam duration is 3 hours plus 30 minutes of submission time

For each course, the exam paper will be delivered to students via LMS on the specified date by the start time. The paper needs to be submitted on the LMS by the end time on the given date. A student may manage his/her time by deciding the duration for solving the exam and the duration required for submission.

Further details about how to upload exam etc will be shared later. Students should be ready to upload exams via Google Classroom or Google Forms and more details will be shared soon

All solution papers must be ordered sequentially

**Good Luck**
