Training session on "Strategies to Improve the Quality of Interpersonal and Communication Skills"

A training session was organized by Quality Enhancement Cell (QEC), conducted by Human Resource Department under the Centre for Professional Training on 14th September, 2020. Dr. Amena Sibghatullah, Assistant Professor & HOD-Marketing at College of Management Sciences, PAF-KIET University, Karachi was invited as a speaker. This session aimed to enable employees to improve the quality of routine interpersonal skills while suggesting techniques and procedures to overcome barriers in practicing effective business communication.

Training on Agile Thinking

Dr. Zulfiqar Ali Memon, Professor – Computer Sciences Department delivered corporate training to MTO's of United Bank Limited. The virtual training was conducted on 26th and 27th of August' 2020 for a day and half and there were 26 participants from all over Pakistan. This training was designed to give an overview about the basics of working with agility. The focus was to explain the agile values, principles, practices and roles & responsibilities through interactive dialogues, games, role plays and exercises.

Ms. Sameera Sultan Publishes a Research Paper

Ms. Sameera Sultan, Assistant Professor and HoD of Sciences and Humanities Department published a research paper entitled as "Contrasting First and Final Year Undergraduate Students' Plagiarism Perceptions to Investigate Anti-plagiarism Measures" in the Journal of Applied Research in Higher Education. Her paper focuses on the exploration of the perceptions of undergraduate students toward plagiarism and its change (if any) during their four-year study at a Pakistani university.
